TRINITY YOUTH STOCK SALE

Trinity youth attending the ELCA Youth Gathering in Houston this summer will be selling "stock" in their experience beginning May 1st. Consider getting in on this unique venture and watch your investment pay "dividends"

for years to come. Purchase incremental shares of available stock from the board in the narthex and follow the instructions. With your investment you will receive an official stock certificate in the mail noting your purchased shares, as well as postcard communication from a Trinity youth while in Houston. You and a guest are also then invited to a special 'Shareholders -Only' dinner on Sunday evening, July 22nd where you will hear more about our experience at the Gathering. We are so grateful for your continued support!
