PASTOR CLAY'S COLUMN

Dear Trinity Friends,

As I write this I am with David Blado and Bill Taugner in Phopeng, South Africa. It is near Johannesburg. We have met and stayed with some brothers and sisters from our sister parish, St. Katharina. It is named for Luther's wife. They are simply beautiful and joyful people and have been outstanding hosts. Now that we have established a partnership, we are eager to have some of them come to visit us at Trinity. They have said they are eager to do so in our summer (their winter), July 2020. David, Bill, and I are eager to share stories and pictures of this ministry adventure soon. For now, know that all is well with us. We return on July 20, which is well before the time of your reading this. When we are home, we will announce plans for sharing our experiences. Please excuse the briefness of this message. I am writing it on my iPhone through text messaging because internet has not worked well. Thank you all for the prayer and support that have sustained us on our journey.

~Pastor Clay, or as they say here, Muruti Clay

LEARN

We hope everyone is enjoying this wonderful summer. Vacation Bible School will be held July 30 – August 2 at Redeemer Church from 9 am to noon. Children ages 3 years to 5th grade are encouraged to attend, even if only for one day. Pre-registration is not required. Just bring your child to Redeemer, and let the fun begin.

See you at VBS!

~Christian Education Committee

Joy Circle

We are called to pray, but for what purpose? Can we persuade God with prayer? Do we actually encounter God in prayer? Is the practice of prayer intended for the sake of the one praying or for the One to whom we pray? Joy Circle invites you to join us for a three session study on the second Monday at noon in the church library on August 13. The study is published in the Gather magazine. If you need a copy of the study, please contact Su Melby at sumelby@charter.net.

Current recommendations for thought provoking discussions are these novels recently published.

The Essay, by Robin Yocum, the story of the dirt-poor twelve year old, Jimmy Lee Hickman, growing up in Southern Ohio, and how with the help of the football coach and the local school's English teacher he perseveres.

We Were The Lucky Ones by Georgia Hunter. This is a heart wrenching story about the Kurc Family and how through the eyes of different members they faced and survived the holocaust.

Join us for a virtual book study!

How would you like to participate in an online book study? You not only have an opportunity to participate with others, but you also have the opportunity to engage with the author in the last session!!

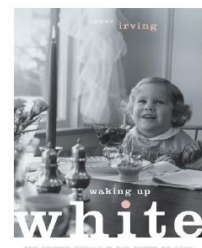

Waking Up White: And Finding Myself in the Story of Race by Debby Irving is a book that sheds light on why America's racial divide continues to deepen. By sharing her sometimes cringe-worthy struggle to understand racism and racial tensions, she offers a fresh perspective on bias, stereotypes, manners, and tolerance. As she unpacks her own long-held beliefs about colorblindness, being a good person, and wanting to help people of color, she reveals how each of these well-intentioned mindsets actually perpetuated her ill-conceived ideas about race. She also explains why and how she's changed the way she talks about racism, works in racially mixed groups, and understands the racial justice movement as a whole. Exercises at the end of each chapter prompt readers to explore their own racialized ideas.

Grocery Donations

Mobile Pantry will be the recipient of our grocery donations during the month of August. Mobile Pantry delivers groceries to people who live in rural Portage County and who don't have reliable transportation to get to town. Most of them are elderly.

Requests for this month include paper products such as paper towels, toilet paper and tissues, as well as personal care items like shampoo, conditioner, deodorant, and body wash. They are also in need of dish soap, laundry detergent and other cleaning agents like Mr. Clean.

Notice that the above list doesn't contain any food items. Living on a limited budget means that the recipients of the groceries often have to do without nonfood items. Plus, the Pantry doesn't usually get enough nonfood items donated to supply everyone on their delivery list. So let's fill the grocery cart with all sorts of nonfood items this month (or make a cash donation in the little blue box on the counter in the narthex). Thank you!

Spare-A-Dime

The August Spare-A-Dime collection will be dedicated to the ELCA Lutheran Immigration and Refugee Service (LIRS). The ELCA has a long history of caring for children, families, and refugees. It's who we are. Recently, Bishop Eaton reminded us that our Lord has cared for refugees throughout the ages:

Abraham and Sarah; Jacob and his family who moved to Egypt during the famine; the population of Israel when they departed Egypt to escape slavery; and the Holy Family when they were threatened with violence and infanticide.

The LIRS provides service and advocates for the most vulnerable—refugees who are displaced by violence and persecution. Today's global refugee crisis affects nearly 65 million people. Fortunately, LIRS has a robust network of service partners, volunteers and churches to help integrate refugees and assist with their stabilization.

Your generous donations will be used to promote case management. Services for refugees will include physical and mental health attention, life skills training, and meaningful social integration programs. Thank you for your generous donations!

ELCA World Hunger Life-Changing Events

Our youth just returned from a life changing event in Houston. ELCA World Hunger helps to change the lives of people living in hunger and poverty in 60 countries around the world, including the U.S. Here are some ways that this is happening:

Income: Farmers in Indonesia were growing bananas on their farms. But the income wasn't enough to support their families. Through ELCA World Hunger they received a loan and technical support to grow chilis. Because they grow quickly, chilis can be harvested several times a year. Now these farmers have enough food to feed their families and provide for education for their children.

Agriculture: Many farmers in the developing world are subsistence farmers – growing just enough food to feed their families. If a crop fails these farmers might not have savings or income to buy food for themselves. With access to the right tools, seeds and clean water, as well as organizing and training that can ensure a fair price for their crops, families can sell some of their crops and have enough money for food, school, and other necessities throughout the year.

Education: When children can attend school, they can secure better opportunities for their future. Programs like literacy training and vocational education also help teens and adults get jobs and increase their earning potential.

Leaders: ELCA World Hunger is pleased to walk alongside ELCA Congregations and individuals who are working toward a just world where all are fed. An example is God's Garden of Grace, a community garden started by St. Peter's Lutheran Church in Plainfield, NJ, to provide fresh food to their local food banks.

Your gifts to ELCA World Hunger help with these projects and more throughout the world. By placing your donation in our church envelope and marking the amount in the correct box of the front, you too are helping our brothers and sisters around the world. Thanks!

Blessed are those who mourn; for they will be comforted.

- Matthew 5:4

Dear Friends at Trinity Lutheran Church:

We join you in praying for those affected by recent flash flooding in northern Wisconsin and Michigan's Upper Peninsula.

When disaster strikes, Christians are among the first to roll up their sleeves and open their wallets. They continue to look for ways to help a neighbor in need. Thrivent members and others in your church can help in the following ways:

Donate. Make an online personal donation to organizations helping with the recovery efforts. Thrivent will pay the processing fee so 100% of your donation goes to help those in need. Eligible members can also direct Choice Dollars®.

Lend a hand. Thrivent members can share time and talent to help recovery efforts by leading a Thrivent Action Team.

Visit the [Disaster Response page on Thrivent.com](#) for details on these opportunities.

If it's appropriate at your church, would you consider running the following in your newsletter, bulletin and/or on your website?

As the Christian community comes together to pray for and reach out to those who have been affected by the Upper Midwest flooding, Thrivent is mobilizing its financial resources and members to help those in need. Thrivent members and others who are interested in helping with the recovery efforts are encouraged to visit [Thrivent.com/disaster_response](#) to learn more about ways in which they can help.

We thank you and your congregation for continuing to keep storm victims in your prayers and support them as you're financially or physically able. Your commitment to living generously is appreciated.

YOUTH & FAMILY

Trinity's group returned from the ELCA National Youth Gathering in Houston, Texas on July 3rd.

40,000 books were collected for the Youth Gathering's Blast Off for Books!

Of that 40,000, Trinity Lutheran Church donated 75 books. Thank you so much Trinity members!

TLC PRESCHOOL

Summer is flying by at the learning center, the children and staff have enjoyed the nice summer weather and have been getting outside for field trips and enjoying the new sand box that we bought for the playground. We are currently in the process of hiring teachers for the learning center and for our 4k program in the fall. We work very hard at retaining a high quality staff, unfortunately events come up such as employees moving back to their hometowns, finding jobs in school districts, or finding jobs that pay higher wages. The learning staff still has several staff that have 5 or more years of dedication to Trinity and we are confident we will replace those that have moved on to new adventures. I am happy to report all of our classrooms will be at max capacity by November. We do have openings in our 4k pm session so if you know anyone whose children are looking for 4k in the fall, please have them contact us for more information.

UPDATE

B&G NEWS

A part of our Spring grounds work day was our Pine Street and Ellis Street landscaping. We replaced plants on Ellis Street that we lost to winter. The Pine Street area was revitalized. There, we planted new plants and trees. Since then, we have added mulch and have kept everything watered. This entailed: buying the plants, having mulch delivered, spreading the mulch, and watering all the new plantings. Thank you very much to the following for taking care of these tasks: Barb and Pat Brilowski, Russ Prusak, Steve Jensen, Gary Pucci and Tom Johnson.

We also have other landscaping areas on our Trinity grounds. The following are Trinity landscape caretakers: Steve and Lori Courtney, Rita Johnson and Leanna Rusch. Thank you to all of them for their time and landscape care.

Trinity's newest update is our sign on Clark Street! The first part of this process was the removal of the old sign and posts. Then, new posts were put in. Next, stone piers needed to be built. Last, the sign frame was lifted in place, electricity connected and the sign panels slid in.

A BIG thank you to the stone piers builders: Glen Bauer, Steve Chizzo, Russ Prusak and Gary Pucci.

Thanks also to Bailey Voigt and the sign installers from Bushman Electric Crane and Sign and our anonymous donor that made this update possible.

Enjoy our Trinity landscape and check out our new sign day or night!

Happy summer,

Trinity Quilt Makers

LWR Quilters is a Facebook site that many of us contribute to and many of us benefit from. One of our ladies got an idea from the site and made a beautiful quilt top, very different from those we typically make. It truly is a sharing site and hundreds of ladies get great ideas from it.

Lots of people ask us, "Where do these quilts and kits get sent?" In 2017 the items we make go through the St. Paul warehouse and get shipped to Africa. They go to Mauritania, Burkina Faso, Niger, Angola, Tanzania, South Sudan and Djibouti. In the past 25 years, United States Lutherans have made an estimated: 8.8 million Mission Quilts; 3.3 Million School Kits; 1.5 Million Baby Care Kits and 2.9 Million Person Care kits.

It seems you can't go very far this summer without seeing a Rummage Sale sign. If your car stops at all Rummage Sales, be on the lookout for baby T-shirts and Sleepers, size 6-24 months. If you find these items you can leave them on the counter by the elevator. And if you find sheets in good condition we can use them too. Your donations are greatly appreciated.

We have two quilting days in August. They are **Tuesday, August 14th** and **Thursday, August 23rd** from 9-3 in **Fellowship Hall**. Coffee, tea and treats are served mid-morning. Come and join us; if you can tie your shoes, you can tie a quilt. 'Many hands make light work and much is accomplished'.

~Lois Hagen

Plan to join us at noon on Tuesday, August 21 at Arbutles. We hope that you will join us. Please call the church office at 715-344-2869 if you would like to attend. All are welcome.

RUMMAGE

September 13-15
October 4-6

The Fall Rummage Sales will be September 13-15 and October 4-6. We will need lots of helpers. Please sign-up to help. For the first rummage sale, set-up will be at 8:00 a.m. on September 13. Sale days will be on September 14-15, and clean up at 11:00 a.m. on September 15. To sign up to help you may call the church office 715-344-2869 or use the sign up sheet in the church narthex.

Clean out your closets, basement, garage, and donate all items no longer needed. Items must be clean and in good repair. We will begin accepting items on the Mondays before the sales. We cannot accept large appliances; microwaves; computers or printers; exercise equipment, mattresses or box springs; items requiring special disposal like paint; tires or lighting; and cribs, car seats, or bike helmets that do not meet the safety codes. Many people benefit from our spring and fall sales.

Summer brings longer days, warmer nights and – for many people – time spent near water. Complete this puzzle to find out who's behind all those summertime joys.

who decrees the moon and stars to shine by night,
who stirs up the sea so that its waves roar ...
