A P P L Y	<p>The Bible is filled with stories of Jesus making the seemingly insufficient, more than enough... using something/someone that others would never even consider, as a channel for his powerful love and grace. The miracle of turning the water into wine at the wedding at Cana shows once again how He can make the ordinary, extraordinary. How has Jesus too provided for you in your own life in the midst of situations and circumstances “as they were”? How have these experiences strengthened your faith and in turn helped you share God’s promises with others?</p>
P R A Y E R	<p>Living God-We praise you for the many miracles you have and continue to surprise us with. Give us eyes and hearts to see all the ways you are at work in the world. Move us to share your love and the infinite possibilities found in you with others. Guide us each day as only you can. Amen.</p>
