A P P L Y	<p>“You just had to be there!” We have all likely heard that expression when someone is describing an experience they had. For the disciple Thomas it must have been tough to miss out on his friends’ first encounter with the risen Christ. They told him all about it, but it just wasn’t the same. Thomas needed to see Jesus with his own eyes. Many wonder if the situation were different and one of the others wasn’t there, would they have been so quick to trust and believe? What has helped you in your own journey to continue to have faith even in moments of doubt?</p>
P R A Y E R	<p>Faithful God-</p> <p>Thank you for the promise of Easter and the gift of new life. When we have trouble “believing without seeing”, like Thomas, remind us that your love still surrounds us. In and through our doubts and questions, may we find an even stronger faith. Amen.</p>
