

## INSPIRING WORSHIP ALL WEEK

<b>K E Y</b>	<p>He also said, “With what can we compare the kingdom of God, or what parable will we use for it? It is like a mustard seed, which, when sown upon the ground, is the smallest of all the seeds on earth; yet when it is sown it grows up and becomes the greatest of all shrubs, and puts forth large branches, so that the birds of the air can make nests in its shade.”</p> <p style="text-align: right;"><b>Mark 4:30-32</b></p>

<b>A P P L Y</b>	<p>That which seems small at first just might surprise you. Consider a pebble dropped into water, ripples extending out, or the tiny mustard seed of our Gospel reading, which grows and spreads throughout the garden.</p> <p>When we act in small ways planting our own seeds of kindness and compassion, there is no limit to where God might take our efforts. They might even encourage others to do the same, expanding that reach far beyond what we ever thought possible. Think of a time when something you did for someone else might not have seemed that significant, but its impact proved much larger.</p>
<b>P R A Y E R</b>	<p>Dear God- Help us to trust that with you all things are indeed possible. May our actions each day continue to tell of your love and plant seeds of your kingdom wherever we go. Amen.</p>
