

TRINITY ANNOUNCEMENTS

July 25–31, 2021

Welcome to Trinity – A Stephen Ministry Congregation

Today's Readings

Today is the first of five Sundays with gospel readings from John 6, the first four of which focus on Jesus as bread of life. Today Jesus feeds thousands of people with five loaves and two fish. What we have, what we bring to Jesus' table, seems like it is not nearly enough to meet all the needs we see around us. But it is not the adequacy of our supplies or our skills that finally makes the difference: it is the power of Jesus working in the littlest and least to transform this world into the world God desires, a world where all the hungry are satisfied.

*Share a joy, a sorrow, a concern or need for yourself or someone else.

Interfaith Food Pantry in Plover will be the recipient of our cash donations for groceries during the month of July. IFP gives out groceries on the second and fourth Tuesdays of each month to approximately 350 families. The number of people asking for help has stayed the same or gone down a bit. About half of the people getting food are seniors.

The needs of the IFP are changing to reflect the kinds of donations made by government programs and the public. For instance, in those hot days in June, more cash was needed to pay for utilities. The amount of milk provided by government programs is decreasing, so cash donations will be used to buy milk and other dairy products.

Your cash donations will be much appreciated. Thank you for sharing God's love through the donations you make to our local food programs.

To contribute write the amount of your donation on your offering envelope, or the memo line of your check, or make

an online donation through [GIVEPLUST⁺](#) on our website.
