A P P L Y	<p>In two of the readings this week, God takes small amounts of food that people have and uses it to feed multitudes. God uses small gifts from everyday people to do glorious things. Think about gifts that you have. Can you think of times when some relatively small action on your part, a smile, a kind word or a helping hand has benefited someone, maybe more than you will ever know? As you go about your daily life, look for ways to use some of the small gifts God has given you to help make this a better world.</p>
P R A Y E R	<p>Dear Heavenly father, thank you for the many gifts and blessings you have given me. Help me find ways to share these gifts and blessings with others. Enable all people to want to share in this way so together we can help make this world a better, happier place. Amen.</p>
