A P P L Y	<p>The lesson from Acts starts with a slave girl who says that Paul and his friends are slaves of the Most High God. It ends with the jailer believing and he and his household joined the family of God. One of the differences between being a slave and a member of the family is that members of the family take care of each other. Slaves do things because they have to. Family members do things because they want to. As members of the family of God, we abide in Christ. We care for others. We love. We show God’s glory. What are some other ways that we show that we are members of the family of God?</p>
P R A Y E R	<p>Heavenly Father, renew our minds and spirits that we might know your will. Teach us to serve others and not to live a life of slavery to sin. By your mercy, give us love for the whole family of God.</p>
