A P P L Y	<p>Most of us can remember when the idea of buying water seemed crazy. Why would we buy something that we can get for free? But over the years, bottled, filtered, and enriched water has become big business in our country. Coupled with ever increasing drought, water has become an increasingly valuable commodity. In today’s key verse, Jesus is talking about a far more valuable type of water, the water that starts flowing in our souls at baptism, as the Holy Spirit begins to work in our lives. This week, look for ways that the Holy Spirit is leading you to serve God by using the gifts you have been given to serve others.</p>
P R A Y E R	<p>Merciful God, the fountain of living water, you quench our thirst and wash away our sin. Give us this water always. Bring us to drink from the well that flows from the beauty of your truth, Jesus Christ, our Savior and Lord. Amen.</p>
