A P P L Y	<p>Three of the readings talk about the kingdom of God and compare it to a tree, and how it grows from a tiny seed. The power in a tiny seed. Amazing what God can do. If God can turn a tiny seed into a big flourishing tree, just think what he can do with us. If we let God into our lives just think what miracles could be accomplished. And not necessarily big flashy miracles, but small everyday miracles, like being kind to a homeless person, having compassion for a neighbor going through a rough patch in their life or brightening up a person's day with a smile or kind word. If everyone would do these things, just think how the world would flourish, what a better place this world would be. As the psalmist says. "The righteous flourish like a palm tree and grow like a cedar in Lebanon." What tiny "miracle" can you do today to make someone's life a little better?</p>
P R A Y E R	<p>Dear Lord, help me to be a force for good in the world. Help me to show others through my actions the Christian life that Jesus asked us to live. Make me a positive influence in all I do and with all whom I interact. Amen</p>
