

INSPIRING WORSHIP ALL WEEK

K E Y	¹³ “Let me tell you why you are here. You’re here to be salt-seasoning that brings out the God-flavors of this earth. If you lose your saltiness, how will people taste godliness? You’ve lost your usefulness and will end up in the garbage. Matthew 5:13 The Message

A P P L Y	The messages puts it quite bluntly. We are preparing for Intention Sunday. By sharing our time, talent and treasure we are salty-seasoning. This is the good kind of salt. The Message goes on to say that when we are salty that it brings out the God flavors of this earth. What are God’s flavors? What are some ways that we can be salty? Stewardship is about how we use what we have been given to manage. How might people see God’s flavors, saltiness in us? I wonder if this could be looked at as living out our thankfulness. We show our gratitude in how we live out our lives. It is how we share our time, talent and treasure. How does our neighbor know that we are thankful for all of God’s creation?
P R A Y E R	Benevolent God, You have given us everything that we need to live our lives. May your Holy Spirit guide us into ways of saltiness that your flavors will be made known. We thank you for everything that you give us to manage. Help us to live lives of thankfulness. Amen
