A P P L Y	<p>When you look at a map of Israel, you can see that Jesus moving from Nazareth to Capernaum was quite a distance (about 50 miles). I suppose that if Jesus wanted to use the analogy of fishing for people, He needed a place where there were people fishing. I think that when we fish for people, one of the 'baits' that we use is LOVE. We pass on God's love to others. Pope Francis said, "We, the women and men of the Church, we are in the middle of a love story: each of us is a link in this chain of love. And if we do not understand this, we have understood nothing of what the Church is." How can we do this in our church? We need to love and care for each other. As we see people that we don't know, we communicate our love by talking with them and finding out more about them. What other ways that we can pass on God's love?</p>
P R A Y	<p>Loving God, your loving-kindness always goes before us and follows after us. Summon us into your light and direct our steps.</p>
