A P P L Y	To me the parable of the sower is a good analogy for the ceremony of baptism. God has sown a seed and it has sprouted. God has sown a seed and it has sprouted. The environment it has fallen on has many features. The gathering at the font by promise, made an oath to provide the nutrients, sunshine and water for spiritual growth, as has the congregation. I often wonder as I listen to the charge given to us, whether I have provided adequate spiritual growth to this person. What say you?
P R A Y	Almighty God, we thank you for planting in us the seed of your word. By your Holy Spirit help us to receive it with joy, live according to it, and grow in faith and hope and love, through Jesus Christ, our Lord and Savior. Amen.
