APPPLY	Forgiveness is sometimes difficult. It is something that we are responsible for as individuals, yet asking for, giving and receiving, it affects the community. The story really talks about, since one is forgiven, they are expected to go offer forgiveness to others. God promises to forgive us. Repentance is expected, but the forgiveness is always offered. We are not God, but are expected to forgive as God has asked us to. Has there been a time in your life that you found it difficult to forgive? How did you deal with it?
PRAY	God of love and forgiveness, Unfortunately we know that words can come out that are not respectful at times. Please help us to be able to handle our feelings and emotions when we don’t agree. Give us the courage to ask for forgiveness. In Jesus name, Amen.
